

# PEI

**PROFESSIONAL EDUCATORS OF IOWA**

## Notices And News

### Jim Hawkins and Jodie Nation on the Radio

Wednesday morning August 8 at 8:00 for the Update Today on KPSZ, 940 AM on your dial, Jim and Jodie will join Maxine Sieleman. It is a time honored program of news and perspectives with the Christian radio format.

On Thursday morning August 9 at 10:00, Jim will join Jan for Mickelson in the Morning on WHO, 1040 AM on your dial. The conversation will take Jim wherever Jan leads. It could range from PEI being at the fair, Iowa school revisionist plans, or to whatever else becomes a topic. The Mickelson show has a call-in format and this could be a good time for you to do so.

### PEI at Fair

The Iowa State Fair is just a couple of days away and once again PEI will be there.

Jim Garnett is a nationally certified parent trainer of Smart Discipline, a family and classroom system for child management. Jim is also the owner and CEO of AskMrG Consulting, LLC which is a Financial Education Company whose focus is to help individuals gain control of their personal finances and get on the road to freedom from debt.

**Ask Mister G**

Mr. G will be at the PEI booth **Saturday August 11 from 9:00 to 3:00**. Meet Jim and learn about his tried and proven systems.

Come to booth **270 in the Varied Industries Building** and ask Jim for his personal finance resource booklet, "How To Have Money With The Money You Have".

### **Who Are the New Teachers? Now is the time to let them know there is a choice!**

The start of the school year is an ideal time to let educators know that they have the right to join the professional association of their choice. PEI will help you spread the word in your district.

What kind of support is available from the PEI office? We can...

- send you promotional materials to hand out to your coworkers or to put in staff mailboxes
- call or meet individually with people interested in learning more about PEI member benefits
- set up an information table with refreshments in a lounge or hallway
- speak to members and other interested staff during an after school meeting
- speak during district day or new teacher orientation
- help with your other creative ideas

Make your plans now, and let us know how PEI can help you. Contact Rob Gray at [rob@peiowa.org](mailto:rob@peiowa.org).

### PEI Member Recruitment Reward - Extended

Many PEI members first joined because a coworker talked with them about their experience with PEI and provided information for them to consider. Our members believe in PEI's mission to promote professionalism in education and to do what is best for Iowa's students. We are motivated by the desire to help their coworkers share that vision and to grow as professional educators. We also know that PEI offers an outstanding value, with great member benefits and low annual dues.

Thank you to all who help their coworkers by spreading the word in their schools! PEI will give you a \$20 reward for every new member who joins because of you. Just ask the new member to mention that they learned about PEI through you when they enroll. A new member is any professional educator who has not been a PEI member at any time during the past two years.

### PEI Website Member Area

Remember, the member area of the PEI website ([www.peiowa.org](http://www.peiowa.org)) is loaded with information which will help you understand your PEI benefits. You'll also be more knowledgeable when talking with your coworkers. If you need assistance with your member log on, contact PEI at [info@peiowa.org](mailto:info@peiowa.org).
