EASTER OFFICE HOURS

The office will close at 12:00 PM Friday, April 22.
Happy Easter to All!

We all at PEI hope you have a blessed Easter and can enjoy your families on this special holiday.

April 21, 2010

As the year comes to a close, there are many battle weary educators still standing and standing strong. We are in the process of helping many, yet today we still are in hearing processes across the state. When the law is followed you may win or lose depending on where you fall within the system. If you are in a "Staff Reduction" situation, make sure you contact the office ASAP. We have guidelines and instruction for potential victories. There is still the possibility even in reductions that there will be recalls. Take heart and know that we are here to help you.

TELL OTHERS ABOUT PEI AND ENJOY THE REWARD

Now is the time to tell others about PEI. Do so and earn rewards. Every new member between April 1 and September 1, 2011 who credits you with telling them about PEI counts for your rewards. A new member is anyone who has not belonged to PEI for two or more years.

Here is how it works:

\$20 will be credited or dispersed to each member who brings a new person to PEI in the professional category (\$198 members).

\$11 will be credited or dispersed to each member who brings a new person to PEI in the support staff category (\$84 members).

What you can do:

Many times members want to "pay it forward". They will share about the promotion and then pass on the promotion reward. Others realize that the reward can add up significantly and apply it to an additional year's membership. Some want the cash or even the PEI store items that we offer. We do not care how you use your reward; we just know that you earned it. The rest of the choices are up to you.

Do the math:

It doesn't take long to have a significant reward. How large would your summer bonus be if you brought in 20, 50, 200?

Note:

We know that many are excited to tell their colleagues about PEI because of our ethics, practices, benefits, and value. We thank you and this is our way to show it. PEI growth means more for each member. It increases our ability to continue giving the best service and increases those services as well. Make sure you are familiar with our new website: peiowa.org. You can download materials you need or just have people enroll on line.

PAY IT FORWARD? YES IT REALLY WORKS

"Pay It Forward" with PEI's 20-11 Promo

It's no secret that the lifeblood of our organization is telling others about the benefits of membership with PEI. Be proud to share that you belong to an organization that strives to put professionalism and students first!

This is open to new members as well as current members and is a great way to spread the word about PEI and help new members save \$20/\$11 on a membership simply by **"Paying it Forward."**

Here's How "Paying it Forward" Works:

You refer a teacher who joins PEI for \$198 and you get \$20
That teacher refers another who joins for \$198 and they get \$20
And so on... "Paying it Forward"

Take the "Pay it Forward" Challenge

How can one ordinary person - like you or me -- make a positive difference in the lives of others? Here are some simple ways to practice "Paying It Forward" everyday:

- Buy coffee for the person in line behind you at the drive-thru
- Buy the movie ticket for the person behind you in line (at a matinee!)
- Help a mother (or father) with an infant or toddler put groceries in her (or his) car
- Help someone with a flat tire or impaired vehicle (even if only to offer use of your cell phone, should they lack one)
- Write a letter (or email) of praise to the manager of a store detailing the outstanding service you received from one of their employees
- Compliment someone's smile, eyes, hair, outfit, shoes, etc
- Allow someone with fewer items to get ahead of you in the check-out line
- Let the driver with their turn signal on pull out in front of you
- Donate blood
