PROFESSIONAL EDUCATORS OF IOWA

Professional Educators of Iowa

February 7, 2013

Dear Christina,

The results of our Annual member survey are compiled. The first analysis gives the statistics of those who responded. The second part contains the comments on each one of the questions. We have sent the results to absolutely every one of our state representatives and senators. Today we are also sending to media, the department of education, and key personnel from the governor's office as well as other organizations and individuals who can benefit from your views.

The 2013 education reform bills are moving rapidly through the legislative process and we are daily challenged to make decisions based on your views as well as the PEI by-laws and principles of operation.

Survey Results

[Here](#) are the results for the 13 questions of the survey.

Click [here](#) to see the over 900 comments.

Thank you to all who participated; we know it takes time. Our apologies to a couple of our members who had some frustrating problems on the comment side of the survey. As PEI continues to grow, the demands and responsibilities are ever increasing and we want to persistently serve you for the goals of more effective and efficient service for the students of our state.

Sincerely,

Jim Hawkins, Director
Professional Educators of Iowa
