On behalf of the entire staff we wish all the best to you and your family,

Newsletter Coming Soon

Watch for a new PEI newsletter for 2013. Please keep your email updated and it is especially valuable for you to receive these in your home. That eliminates over active school spam filters. Regardless, there will be a great deal in the next newsletter and we hope it catches you up on the activities of PEI.

CHRISTMAS TIME AND MY CLASSROOM - HOW CAN I CELEBRATE?

The last couple of years we gave you much of this information. We have many new members and feel it should be reviewed. We know it is about break time but perhaps you can still utilize some of this. The [Twelve Rules](#) for Christmas by the Rutherford Institute is a very good legal resource on what can be done within your classroom. Another place to browse is mymerrychristmas.com where you can look around for what is interesting to you in particular. We do not intend for you to ignore any local board policies, but what we have presented gives you the basic legal guidelines.

We want to hear from you.
