Did you miss the GOOD news from the BOEE? We believe you will profit GREATLY by being aware of these changes in renewal credits! The article below explains the different ways you benefit by these adjustments.

And speaking of benefits, they are expanding! Watch our newsletters for discounted events across the state!

**As a reminder, this is the time of year you should be taking note of the "pool" you are listed in within your district as well as the seniority list within that pool.**

PEI will be attending several educator conferences in October! Check in with the PEI staffer to receive your free gift!

### New Rule for Licensure Renewal Credits!

Life got a little easier for certified teachers and administrators renewing their educator licenses! The Board of Educational Examiners (BOEE) announced in July 2016 that current Iowa educators can earn one credit toward their recertification simply by **submitting verification** from the supervising evaluator, that they have **completed at least one Individual Professional Development Plan (IPDP)** per renewal cycle. The BOEE has applied this rule to **Standard Licenses, Master Educator Licenses, Career and Technical Licenses, Orientation and Mobility Licenses and Administrator Licenses.** Further information and license applications can be found at:

### Obama Directs Public Schools to Allow Transgender Access to Any Restroom

*Where are we now?*

PEI received phone calls following the May 12 directive from concerned members across the state. We will be adding questions to our annual survey regarding this issue so we can lobby the state government during the upcoming legislative session.

We have been told the private restroom facilities that are offered by school districts to transgendered students are no longer acceptable. Schools must open up current restroom facilities. Click here to read on: <http://bit.ly/2cBzR51>
