CHECK OFF LIST

PEI SCHOLARSHIPS/AWARDS

The PEI Foundation scholarships and awards are available to any Iowa student or educator who qualifies in each of the individual categories. Applications must be postmarked by April 1. Requirements for all rewards are outlined in the scholarship brochure which can be viewed online at www.peiowa.org. Failure to follow the requirements in the brochure will automatically disqualify the applicant for consideration of the award. Each award has great latitude, but will demand other specific requirements and evidence. Feel free to apply in more than one area, as you are qualified. Local chapter applications will vary in individual districts.
