Clearing Things Up

HF 291 - Labor Bill

Two weeks ago we wrote on House Study Bill 84, the labor bill, which had just been introduced. Many changes were made to Chapter 20, which is the portion of Iowa law that addresses public sector collective bargaining, as well as to 279 and 284 which are education law. HSB 84 became HF 291, the bill that was approved by the House and immediately sent to the Senate where it passed.

Thank you so much for those who called and emailed us with your thoughts, opinions and apprehensions. These were all passed on to legislators prior to the bill being passed. We were in attendance at the hearing last Monday evening and stayed at the capitol throughout the process. Click her to read on: <http://bit.ly/2mcP5Xn>

2017 PEI Scholarships

We are pleased to announce that PEI's association and foundation scholarship programs are available again this year for students and educators across the state. More than \$5000 in scholarship offerings is available to graduating seniors, educators in pursuit of professional development, children of PEI members, and more!

The PEI Foundation was established to create an ongoing network of educational awareness for Iowans, while supporting worthwhile academic endeavors by awarding students and educators scholarships that fit their individual needs.

What is ACH?!?!

Even though **PEI dues are by far the most affordable career protection you can purchase**, some people still find it difficult to come up with \$240 at one time. Since the Payroll Deduction option has been removed by the labor law, members who have been paying for their dues via payroll deduction may want to switch to ACH. This transition should be a fairly simple and painless one. The option of paying for dues via ACH is open to all our members, even those who had not previously used Payroll Deduction.

Using the ACH payment option, members can pay for their annual membership by simply having one-twelfth of their annual dues taken from a bank account each month. We don't charge any extra for this service; a \$240 Professional Membership is only \$20 per month using the ACH option, and \$84 Support memberships come to only \$7 monthly.

To take advantage of this program, we only need your signature on this form along with a VOIDED check to the PEI office.

Besides being an even more affordable option for payment of dues, an added benefit is that your membership will never lapse. We will continue to send you an annual statement reminding you that your dues are being taken out of a bank account monthly. This will be your opportunity to tell us if anything has changed. But if you lose or ignore that statement, your dues will continue and your membership not be interrupted.

With many people using online banking and bill-pay options for their regular expenditures, it just makes sense to have your PEI dues paid in a similar method. Those who have made the switch to ACH have universally told us it is a far easier, more convenient method. We intend to continue its use for as long as we can foresee. Give it a try today!
